

Carol Colpitts

Please pay attention to people's concerns regarding the pollution this coal terminal will cost us. Besides that, why do we want to pollute the rest of the world as well? We are trying to lessen coal use, not heighten it worldwide. Wake up and "smell the Roses"--we need a clean world! The Almighty Dollar is not an end-all--there is plenty of ways to make a dollar and I'm sure we'll think up more, but we only have one world!
