

Gar Tuyls

Longview/Millennium Bulk Coal Terminal NEPA/DEIS
24Jul2017

Dear Commissioners,

Please do not approve this project. The environmental hazards posed by this project have not included all impacted areas in the NEPA EIS. Rights of Way, rivers and communities that may be impacted were given no consideration. Nor were any comments made on dangerous hazards of downstream beneficiaries such as aquatic life including vertebrates and invertebrates such as Orcas and shellfish. Thank you for your consideration. Gar Tuyls, Portland, OR
