

Hypnotism is **SUPER AWESOME!**
Your eyelids are feeling very heavy. Breathe
and count slowly backward from 10. That's right,
this card just hypnotized you. You need to go back
to the place where you bought these and buy all
that they have left. When you wiggle your fingers, you
will awaken feeling refreshed. SNAP!

Pls Deny Imidacloprid
Use for shrimp control
in Grays Harbor. This
neonicotinoid pesticide
kills bees & other
pollinators & can also
deplete aquatic
invertebrates & the animals
that rely on them for
food. Thank you
