Draft 2019 SWMMWW Section (select from drop down)	Comment	Comment Made By
V-11.1 Introduction to Miscellaneous LID BMPs	Would like clarification on whether or not Artificial Turf is considered to be Pervious or Non-Pervious. According to King County 2016 KCSWDM If synthetic turf is installed without an underdrain system the entire area is considered 100% pervious. The current SWMMWW appears mute on the subject and is confusingly interpreted by municipalities who have adopted the SWMMWW guidelines.	Jeremiah Lord Malones Landscaping
