

Addendum to my comment:

In the second paragraph of my earlier comment, I wrote, "...RCW 90.44.050 (8)". I meant to write "RCW 90.94.020 (8)", which limits the application of RCW 90.94 to the domestic use exemption in RCW 90.44.050.

It appears to me that, by conflating the "domestic use" exemption in 90.44.050 with the volume-delimited "watering of a lawn or of a noncommercial garden..." use in that chapter, you are attempting to amend RCW 90.44.050 by rule, when even RCW 90.94 does not amend RCW 90.44.

I do not see where you have that authority.
