No No No - it is a time to decrease not increase Industrial output in our fragile ecosystem!  
In the last 5-6 years I've witnessed die off of Starfish and seen crabbing be decimated due to  
unhealthy numbers - not to mention Orcas.

How is this option even on the table?

Has anyone ever said that the aroma of Tacoma was not pungent enough?

Get off your money grabbing, environment poisoning high horse!

Shut it down!

No No No.
