Is trespassing and damage to public and private property OK for Canadian Corporations? Do all Canadian Corporations get to buy public lands at a fraction of there value to do what ever they want to? Are the open public meeting laws now void when it comes to Canadian Corporations? Will the tax payers continue to pay public employees to work for Canadian Corporations? Do Canadian Corporations get to jeopardize the water supply for thousands of people? Will all Canadian Corporations be given special tax breaks for power? Will Canadian Corporations be exempt from interfering and meddling in our elections under Executive Order on Imposing Certain Sanctions in the Event of Foreign Interference in a United States Election
