Pend Oreille County residents do NOT want this in their backyard. But, it's not like no one wants this in their backyard. Canada's city of Golden actually wants this operation to stay in Canada. British Columbia Mines Minister Bill Bennet actually wants this operation to stay in Canada. But, PacWest came down here lured by the promise of lower employee wages and power rates. They don't even care enough about their OWN Canadian citizens to keep the jobs in Canada. Let's let them have their project back!
