Dear Mr. Joshua Grice WA Dept. of Ecology, Heavenly Father, King of the Universe, bless our elected government, which You allowed to be over us. Give them wisdom. Please watch over and protect the members of the USSC. Thank you for their wisdom. the snake river dams have ZERO emissions while giving us electrical power and they control the river flow. THEY PROVIDE FLOOD CONTROL Having a great Sockeye season east of the mountains and we didn't have to use trucks, but then we don't have 1,000s of protected seals. Thank you, Stanley Borries 1490 Desert Springs Ave Richland, WA 99352
