

Ed Chadd

Please do all possible to avoid the regulatory pitfalls of California's cap and trade law. Please listen to this in-depth analysis by Professor Danny Cullenward about the strengths and pitfalls of California's rulemaking and implementation to date:
<https://pca.st/episode/8c4edab5-9602-4a89-8102-c151defbeba6>. I urge you to be in close touch with Professor Cullenward as you move forward with rulemaking and implementation.
