

Virginia Davis

Thank you for the opportunity to comment on WAC-173-446, Climate Commitment Act (CCA) Program Rule.

I appreciate the hard work the Department of Ecology has been doing to implement the CCA. However, I have a concern related to the following area of the draft program rule.

Honoring Tribal Sovereignty

The program rule must explicitly incorporate Ecology's existing obligation to proactively engage and consult with federally recognized tribes. In particular, it is critical that offset protocols are guided by feedback from Tribal Nations, designed to facilitate participation of tribal nations, and support tribal sovereignty.

Thank you for considering my concerns.
