

Sheryl Shattuck

I don't think this is a good ideal at all. With the amount of taxes we pay in this state we should have the choice of vehicles to drive.

JOHN FOX

Absolutely do not approve this. We clearly don't need a ridiculous law like this until we have the infrastructure needed to support it.

You people are sooo out of touch it's embarrassing. I worked over 25 years for an automotive mfg co. They will all tell you this is a terrible idea.
