

Kevin Walsh

What information should Ecology provide in its annual report?

Reporting on greenhouse gas emission reductions, community resiliency, and environmental impacts beyond carbon

What additional information should be included about spending that is formally supported by a Tribal resolution?

Reporting on greenhouse gas emission reductions, community resiliency, and environmental impacts beyond carbon

What additional information should be included about spending that benefits vulnerable populations in overburdened communities?

Reporting on greenhouse gas emission reductions, community resiliency, and environmental impacts beyond carbon

How should Ecology determine which projects are required to report their GHG emissions reductions?

Reporting on greenhouse gas emission reductions, community resiliency, and environmental impacts beyond carbon

What should Ecology consider when determining how to evaluate greenhouse gas emissions reductions from projects?

Reporting on greenhouse gas emission reductions, community resiliency, and environmental impacts beyond carbon

What else would you like to share?

Reporting on greenhouse gas emission reductions, community resiliency, and environmental impacts beyond carbon
