Dear Washington State Department of Ecology, I am writing to support all of the proposed restrictions and reporting requirements in the proposed Safer Products for Washington rule. It is critical to end the use of dangerous chemicals in products that are building up in people, food, wildlife, and water. There are safer solutions that can be used in place of hazardous chemicals and these rules are critically important for moving companies in the right direction. I support the proposed rule as a critical next step in preventing pollution and protecting vulnerable populations and species. Sincerely, Yonit Yogev 821 Kaiser Rd NW Apt 2D Olympia, WA 98502
