Re: Update of crude oil rail and pipeline transport rules

The proposed rule amendments for facilities that receive crude oil by rail and pipelines are desperately needed. I strongly support their adoption.

Thank you for your efforts in getting them adopted.

RE: Update of Crude Oil Rail ^(+ Pipelines) Transport Rules

Dear Ms. Morley:

The proposed rule amendments for facilities that receive crude oil by rail and pipelines are desperately needed. I strongly support their adoption.

Thank you for your efforts in getting them adopted.

Sincerely,
