In the 'Field Document' on page 49, there is a reference to a Group Health hospital (Group Health Eastside Hospital 2700 152nd Ave. NE Redmond 98052 425.502.3000). That hospital ceased operations around 2009, and the property has been redeveloped.

On page 26 of the same document, there is a reference to a vector services contractor named Innovac. Innovac was acquired by a company called Aqualis and may now have different services or contact info.
