Notes:

Homebase/City: location where the person resides or is deployed from.

ICS/SMT Position: Position the person will be filling in the ICS structure during spills and drills.
Identified positions should have specific training requirement for that postion identified in the
SMT Application. Please include how they are trained for the position applied for.

Position Training. Document yes/no for specific position training. Identify in the application
what training has been taked to ensure person is qualifed for the position. You can also specify
drills attended.

Employment Status: Full Time, Part Time and Dedicated or Non-dedicated. If personnel are non-
dedicated your PRC/SMT application should identify if there is a specific arrangement for
availability and call out.

Hours from Washington State: Approximate number of hours for the person to be called out,

Dedicated
