Hi I have a question, will this clean up require that the entire site be demolished and contaminated dirt be dug up? This Is a very nice community site with a gazebo and public restrooms. It's a great spot for the farmers market. It needs to be LEFT ALONE! The site is fine the way it is. It's not hurting anyone's health. It is not necessary to destroy the whole thing. It is completely ridiculous to do this clean up. The site is fine, LEAVE IT ALONE! Many Sedro-Woolley residents would be extremely disappointed if you dig this site up. It's not Necessary!

Thank you!
