

mILES Partman

need immediate federal help.

Seattle police confidential informants

have burned down or caused fires at 4 locations and 6 fires in 9 months.

for downtown service center- please do not demolish building until federal ATF CONTACT has been made

most recent one was at old grandberg apts - started in back of building it seems

1737 Belmont Ave Seattle WA 98122.

WHITE TRIM

Fire

burning towards roof/ ceiling

They always seem to be spelling W.I.C IN SURVIVAL CIPHER. LAW ENFORCEMENT CALL SIGN. fire similar was halla market fire in tukwila wa

The Seattle police are doing this during a sting operation in which method they are doing stuff I do not approve off and The Law enforcement Call sign is W.I.C for any damage caused by Police

Transform at Sunnysdale elementary school - April 18th 2024

warm coats W Fire I Coats C

WIC

ITS obvious someone broke a window was standing or kneeling on trash can and put flaming materials on the Coat rack that they could see through window - police admitted to doing it

Tukwila Hala Market - November 23rd 2023

Put some kind of ignition source under the deck to reach ceiling above them based on striation pattern of fire

white paint W Fire I Ceiling off Deck W.I.C

823 Madison St Seattle WA IN Seattle - January 1st 2024

person seen in second story window but everyone got out alive seems like ...

window W.

Fire I

Ceiling C

WHICH EXPECTED TO REACH THE CEILING BASED on how fire look like it spread

November to january 2024 - 2 months

January 2024 TO APRIL 2024 - 3 MONTHS

APRIL TO AUGUST 2024 - 4 MONTHS.

I PREDICT next one based on pattern to be in january 2025 unless u let presence be known and tell

law enforcement to knock it off

anyways - I know there petrol there now but still need federal ATF TO CHECK IT OUT AND SEE if its arson as undetermined by Seattle fire department - soil samples and wood of building that burned to see non historical accelerant DEPOSITS - Clean up this site could be obstruction of justice related to disability hate crime.
