Are you people kidding me??

We've been waiting HOW LONG??

If this were a Seattle site, or an Olympia site, would you still even be only DISCUSSING this?!

What is wrong with you? What is wrong with our system? How could anything take SO MANY years to figure out, make a decision, and GET IT DONE?!

IF Rayonier is in the wrong, if Rayonier is culpable, then make them get it fixed/done NOW. Not in 2 years. Not in 5 years.

Now.

TIME'S UP.

WTF?
