

## Duwamish Shipyard, Inc. (Kim Maree Johannessen)

Dear Mr. Nale and Ms. Waldref:

I am writing on behalf of Duwamish Shipyard, Inc. to request a thirty-day extension of the comment period on the Public Review Draft of Remedial Investigation Report for the Glacier NW site. Our lead project manager at Anchor QEA is on vacation and will not return until July 7th, and DSI, other members of our other Anchor QEA project team, and I are all unavailable between now and June 30th to review the report and assist in preparing comments. I would appreciate it if you would grant an extension of the public comment period until July 31, 2026.

Thank you for your kind consideration of this request. Kim
