I have been visiting Vancouver Lake for well over 30 years and it is a real treasure for the City of Vancouver and all who visit. I have been involved with the sport of rowing for over 50 years now and Vancouver Lake is the best racing venue in the North West and probably the West Coast. Every year we have over 1,750 Junior Rowers competing and well over 1,500 Masters Rowers competing. You need to prioritize the clean up of Vancouver Lake as soon as possible. The longer you wait the harder it will be to keep the lake in good shape for not only the rowers on the West Coast but the many thousands of residents of the City of Vancouver.

Thank you, Bill Byrd
