Please ban scrubbers! There is a gaping loophole that allows cruise ships to burn one of the dirtiest fossil fuels on earth, heavy fuel oil, by 'scrubbing' the exhaust and discharging the toxin-laden wastewater directly into the ocean. That's why I support amendment #2 to ban scrubbers.

Also, this is a perfect opportunity for the cruise sector to show that they are committed to changing their polluting ways by agreeing to end the dumping of all scrubber wastes in Puget Sound. Please approve amendment #2 and ban scrubbers.
