This presents a Critical Moment in Time when we have it in our Hands and in our Custodial Responsibility to insure that Threatened Species Survive the Mass Extinction that this Planet is Presently drowning in. With your help we can secure permanent protection for this high traffic inlet that is home to some of the most threatened of our marine species, and specifically Orcas and Chinook Salmon. Please Support this Critical Moment in time with a Critical Vote to Grant Environmental Protection to this most Valued of Marine Life! Gratefully for your Consideration!
