Ban scrubbers. They are terrible for the environment. That's why I support amendment #2 to ban scrubbers.

The cruise sector can show that they are committed to changing their polluting ways by agreeing to end the dumping of all scrubber wastes in Puget Sound. Please approve amendment #2 and ban scrubbers.

Marine ecosystem needs a healthy home to survive. The COVID-19 pandemic has been an ongoing tragedy on a global scale, but the resulting cessation of cruise vessel traffic in the Puget Sound has been a welcome reprieve from the water pollution these ships create. Our planet is healing. That's why scrubber dumping cannot return to the Sound. I support amendment #2.
