

Philip Antush

Total government take over to control more land that they will mis manage just like all our forest lands .. Let it rot ,burn and decay is our governments goal .. Federal Gov is scheduled to be become a carbon emitter ,go to USDA FOR REPORT AND STUDY. 5 WESTERN STATES ARE SCHEDULED BY 2025...CHECK IT OUT !! Managed forests take in 5 tons of Carbon per acre per year ,not government ones .. Stop.your communist take over
