

## Debbie Covey

My family shares a house on Lake Sawyer that has been in the family for over 100 years. We love Lake Sawyer and feel that all measures must be taken to preserve the integrity of the water there for the wildlife , plants and the community. The water level is at an all time low and that makes the lake uninhabitable for fish, plants and the community at large. This lake is used by everyone and is very popular. We must preserve it in any way we can.
