DEAR ECOLOGY, 24 SEP 2020 PM 4 L

I AM ASKING YOU TO DENY
THE SHORLINE PERMIT FOR
THE KALAMA METHANOL PLANT.
I TOOK THIS PICTURE ALONG
THE COLUMBIA RIVER,
UNOBSERVED BY THE
VAPOR CLOUDS OF A REFINERY,
THE NOISE AND THE SMELL!
WHEN THE SALMON FAIL TO
RETURN TO SPAWN THE EAGLES WILL BE GONE,
SO MUCH WILDLIFE DEPENDS ON THE CRITICAL
AREAS IDENTIFIED IN THE NIMFS BIOLOGICAL
OPINION. WHAT WOULD THIS EAGLE SAY IF
IT COULD VOTE ON THIS PROJECT? DENY IT!
