

Ron Lee

My name is Ron Lee. I'm an 18-year member of the Operating Engineers Local 701. I'm in support of the project. I appreciate the review done by the Department of Ecology, and I'm concerned about those who want to ignore the science. I believe more than enough study has been done. I ask and encourage [inaudible] it is time for the department to permit this project to proceed. Even this more conservative study sets a clear picture of the benefits of the project, both on a statewide basis and globally. Please proceed swiftly to [sound cut] allow positive impacts.

Thank you, Department of Ecology. Good work. Please move swiftly.
