

Katie Wolt

How did you hear about this survey?

Other (please specify)

I made it.

Please check all that apply: I am a....

Resident of Washington state

Please let us know what you think about our new permit site!

Feel free to upload your comments using the button below.

It's great!

Please indicate on the scale below how likely you are to use our new online permit feature.

Will never use it.

Please select any special features your permit allows.

Trail building

Rank the following from least to most important.

1. Reapplying for my permit online.
2. Getting a permit as soon as possible.
3. Appealing permit decisions.
4. Including my permit in sale agreements.
5. Using a permit app.

Legislative huddle 3/5

Senate Appropriations

3/11 3:30pm

- SB 5021 Retirement benefits/furlough - FYI

Senate Civil Rights and Judiciary

3/10 8am/10am

- SB 5225 Direct appeals/APA, land use - FYI

Senate Energy and Environment

3/11 10am/1:30pm

- E2SSB 5022 Recycling, waste, and litter – Julie Robertson – have some concerns, drafting testimony, **will be going to Denise**. We need to testify carefully. Jen Hennessey wants to see the testimony at the same time Denise does. Be clear that ECY has concerns with the bill.
- SB 5312 Transit-oriented development – Neutral on this bill. No amendments yet. Does not directly affect us, will not be testifying.
- E2SSB 5141 Environmental justice task force recommendations – Laura testified originally. Sharlett and Kim did the testimony in Ways and Means. Need to find out if Laura is free, **Denise will follow up with her on Monday**. Kim needs to prepare testimony for Laura now.
- SB 5345 Industrial waste program – Neutral on this bill. We did not testify on the Senate side, not planning on testifying here.

House Environment, Energy, and Technology

3/11 8am/10:30am

- E3SHB 1091 Transportation fuel/carbon – Joel will be testifying.
- SHB 1114 Urban heat island mitigation - FYI
- S2SHB 1274 Cloud computing solutions – Nothing has changed. Kristy will be watching testimony. Bill language is improving.
- HB 1393 Photovoltaic module program – Neutral on this bill, not testifying.

House Housing and Local Government

3/10 10:30am

- ESHB 1184 Risk-based water standards – Recommend that we sign in support on this bill.

Senate Labor and Workplace Standards

3/12 8am

- ESSB 5115 Health emergency/labor – FYI

Senate Local Government

3/10 8am/10am

- ESB 5026 Cargo handling equipment – FYI

House Rural Development, Agriculture, and Natural Resources

3/10 10am

- HB 1385 Water rights transfers – This will be the bill's first public hearing, Mary will testify with concerns. **Carrie will share testimony with Denise.**

State Government and Tribal Relations

3/10 8:15am

- HB 1518 Paper products/environment - FYI
- ESSB 5432 Cybersecurity/state government - FYI
