

## Mark Canright

Greetings! I am a young person who cares deeply about wildlife protection. Thank you for your work.

I respectfully oppose the Chehalis Dam.

We all know that dams aren't the answer—not when we have modern, proven flood solutions that can protect people, the land, and salmon. Let's protect our key wild salmon river. Please put this mega-dam behind us, so we can focus on real solutions to improve our fish runs and keep communities safe.

Thank you for your time and consideration!

Take care!
