Thank you for contacting the Squaxin Island Tribe Cultural Resources Department regarding the above listed projects (SEPA) for our review and comment. After reviewing the three projects, two of them (Skagit and Snohomish County ones) are outside the Squaxin Island Tribe's traditional area and we do not need any further consultation for these projects. In regards to the project in Peirce County, the project is within our treaty and traditional area, we recommend you consult with the Puyallup Tribe regarding cultural resource concerns for this project.
