The FIFA Club World Cup semifinal match between Paris Saint-Germain and Real Madrid could be one of the best matches in the tournament.

It's a battle between the last two Champions League winners – Real Madrid won it in 2024, while PSG is the reigning champion in 2025.

It's also the first time Kylian Mbappé, who joined Real Madrid last year, will face his former club in PSG after a contentious final season that featured a transfer saga.

The winner of the match will face Chelsea in the Club World Cup final.
