Dear Nikki Harris,

Thank you for the opportunity to comment in support of the updates to the Clean Truck Rules.

The Department of Ecology is making sure we have more clean trucks on our roads in Washington by upholding the Advanced Clean Truck (ACT) and Heavy-Duty Low NOx Omnibus (HDO) rules.

Washington can demonstrate its commitment with regulations like ACT and HDO. There is an ongoing national effort targeted at repealing these rules and others like it by the trucking industry and manufacturers.

I strongly support Ecology's proposed rules on ACT and HDO, which are critical for improving public health and meeting our statutory greenhouse gas emission limits.

Thank you.
