Dear Ms. Nikki Harris,

Thank you for the opportunity to comment in support of the updates to the Clean Truck Rules. State leadership on clean transportation has never been more important. I commend the Department of Ecology for making sure we have more clean trucks on our roads in Washington by upholding the Advanced Clean Truck (ACT) program and the Heavy-Duty Omnibus Low NOx rule (HDO), a crucial step in cutting diesel pollution.

Washington can demonstrate its commitment to combating pollution and protecting vulnerable communities with forward-thinking policies like ACT and HDO. Let's move as quickly as possible. Climate change and destructive health effects won't wait.
