

Catherine Carey

Dear Ms. Harris,

Thank you for handling the updates to the Clean Truck Rules. State leadership on clean transportation has never been more important. I commend the Department of Ecology for making sure we have more clean trucks on our roads in Washington by upholding the Advanced Clean Truck (ACT) program and the Heavy-Duty Omnibus Low NOx rule (HDO), a crucial step in cutting diesel pollution.

I strongly support Ecology's proposed rules on ACT and HDO to continue standing up to polluting special interests who seek to delay or halt progress. The Advanced Clean Truck rule is critical for Washington to meet its climate targets and for improving our health.

Thanks for your work,  
Catherine Carey
