

ECCE Bed & Breakfast

We oppose hydraulic fracking, use of Delaware river basin water and dumping of waste into the Delaware river basin. We own a business, ECCE Bed & Breakfast overlooking the upper Delaware River. The pristine nature of the river valley is a key draw for our clientele. We have been in operation for 15 years and have garnered many awards. More recently, Trip Advisor 2017 & 2018 Travelers' Choice Award for Top 25 B&B's in the United States. We could not achieved that recognition without the untouched beauty of this unique region.
