I JUST CAN'T UNDERSTAND WHY WAYNE COUNTY SEEMS TO BE ANOTHER COUNTRY. THESE REGULATIONS ARE REALLY UNBELIEVABLE, WHEN ALL OTHER COUNTY'S IN PA. SEEM TO BE PROSPERING FROM NATURAL GAS . WHAT IS THE DRBC NEXT STEP?,CAN'T CUT TIMBER,CAN,T BUILD CERTAIN HOMES, CAN'T LET YOUR LIVESTOCK DRINK OUT OF STREAMS . ALL THESE REGULATIONS ON FRACKING, ONLY IN WAYNE COUNTY IS REDDICULOUS. HOW COME THE SUSQUHANA RIVER HAS NO PROBLEM? THE DRILLING COMPANIES SAID THEY WOULD RECYCLE ALL WASTE WATER AND DO JUST ABOUT ANYTHING TO MAKE SURE ALL GOES AS RECOMMENDED BY THE LAWS. ONE MORE THING THESE MINERALS (GAS) IN WAYNE COUNTY ARE VERY ABUNDANT,AND WOULD CREATE MANY JOBS TO A VERY DEPRESSED AREA,PLUS NATURAL GAS BURNS MUCH CLEANER THAN OIL.IT WOULD ALSO BE GREAT TO EXPORT TO COUNTRIES WHO RECEIVING NATURAL FROM RUSSIA. I AM ASKING YOU (DRBC) TO RECONSIDER YOUR DECISION.THANK YOU RICHARD KAPF
