ABOUT: BOYSEN

TO THE HOT SPRINGS COUNTY COMMISSIONERS AND THE WYOMING
DEPARTMENT OF ENVIRONMENTAL QUALITY:

MY NAME IS JERRY D. WELLS. I LIVE AT 159 LANE 3 IN THERMOPOLIS,
WYOMING IN HOT SPRINGS COUNTY. MY PHONE NUMBER IS 307 864 3219.

I WOULD LIKE TO SAY FOR THE RECORD THAT I OPPOSE THE DUMPING OF
CONTAMINATED WATER FROM AETHON'S OIL ~~OPERATION~~ OPERATION INTO
THE BOYSEN RESERVOIR.

I WANT TO KNOW WHAT IS IN THAT WATER AND IN WHAT QUALITY. I
WOULD ALSO LIKE TO KNOW WHAT THE AMOUNT OF CONTAMINATED
WATER WILL DO TO THE FLORA AND FAUNA, PARTICULARLY THE FISH AND
OTHER WILD LIFE IN THE BOYSEN RESERVOIR AND THE SURROUNDING
AREA.

TO CONTINUE WITH MY QUESTIONS ABOUT THIS ACTION WHAT OTHER
CONSEQUENCES WILL THIS DUMPING DO??

HAS THE STATE DEPARTMENT OF ENVIRONMENTAL QUALITY'S WATER
QUALITY DIVISION DONE ANY TESTING OR STUDIES ON THIS PROPOSED
ACTION? IF SO WHAT ARE THEIR CONCLUSIONS AND OPINIONS?

~~ANSWER TO MY QUESTIONS~~

DOES DEQ HAVE ANY CONCERNS OR QUESTIONS ABOUT THESE ACTIONS,
~~ESPECIALLY~~ WHERE THE WASTE WATER IS GOING? IS
THIS GOING TO NEGATIVELY IMPACT BOYSEN RESERVOIR AND THE
SURROUNDING AREA OF HOT SPRINGS COUNTY?

IN MY MIND THERE ARE TOO MANY UNANSWERED QUESTIONS CONCERNING
THIS MATTER.

JERRY D. WELLS.
