DIG A HOLE AND PUT IT IN THERE. BURN IT. SEND IT TO SPACE. DONT DUMP A HARMFUL SUBSTANCE INTO A PLACE WHERE YOU ALL ARE FULLY AWARE OF THE OUTCOMES. WHY WOULD YOU WILLINGLY POISON AND KILL THE LIVINGS THINGS THAT WILL BE IN HARMS WAY. ALSO- WHY WOULD YOU KNOWINGLY DAMAGE THIS PLANET? THIS IS OUR HOME. THIS IS YOUR HOME. THE PLANET TAKES CARE OF EACH OF US AND NOW THERES A PETITION ON WHETHER OR NOT WE SHOULD PARTICIPATE IN DESTROYING THIS PLANET THAT WE LIVE ON. DONT DRILL INTO THE EARTH IF YOU DON'T HAVE A SAFE PLACE TO PUT THE EXTRA HAZARDOUS THINGS. ITS COMMON SENSE AND JUST PLAIN KINDNESS. JUST BECAUSE YOU ARENT KILLING A HUMAN, DOES NOT MEAN IT'S OKAY.

IM SO DISGUSTED IN THIS.
