

# Natrona County Conservation District

A few very simple comments:

Page 65 – Rasmus Lee Lake – mis-spelled as Rasumus on map

Page 65 – Willow Cr. – looks like Wrlow, but might just be the fuzzy print.

Page D6 – All listed Natrona County waterbodies (except the NPR) were listed in 2000, not 1999. But with the heading "cycle first listed", this might account for the change.
