Re: WYPDES Permit No. WY0002062, Comments to Revised Draft Permit

Dear Mr. Thomas:

As a citizen of Fremont County, Wyoming, I support Aethon Energy in expanding its operation, hiring additional personnel, helping improve our economy, and positively impacting my family. The revised draft permit appears to prevent Aethon from doing this. Thus, I encourage the Wyoming Department of Environmental Quality to approve the initial draft of the Aethon (Moneta Divide) Proposed Discharge Permit and manage the discharge within acceptable limits for the benefit of my family and all Wyoming citizens.

Sincerely,

Re: WYPDES Permit No. WY0002062, Comments to Revised Draft Permit

Dear Mr. Thomas:

As a citizen of Fremont County, Wyoming, I support Aethon Energy in expanding its operation, hiring additional personnel, helping improve our economy, and positively impacting my family. The revised draft permit appears to prevent Aethon from doing this. Thus, I encourage the Wyoming Department of Environmental Quality to approve the initial draft of the Aethon (Moneta Divide) Proposed Discharge Permit and manage the discharge within acceptable limits for the benefit of my family and all Wyoming citizens.

Sincerely,
