Re: WYPDES Permit No. WY0002062, Comments to Revised Draft Permit

Dear Mr. Thomas:

As a citizen of Hot Spring County, Wyoming, I do NOT support the revised second draft, but do support the initial draft proposal WYPDES permit WY0002062, allowing Aethon to expand its operation, hiring additional personnel, helping improve our economy, and positively impacting my family.

I encourage the Wyoming Department of Environmental Quality to approve the initial draft of the Aethon (Moneta Divide) Proposed Discharge Permit and manage the discharge within acceptable limits for the benefit of my family and all Wyoming citizens.

Sincerely,

Laurie Seller
