

# Niles Veal

Coal Mining has been the history of the area providing the community with great benefits for over 100 years. As a community, we have directly or indirectly benefited by employment, tax base support and philanthropic contributions. Whitney Benefits is largely funded thru contributions from the coal business.

Wyoming at large is experiencing financial shortfalls from the war on fossil fuels. Ramaco can and will provide the coal industry with alternative uses for coal supporting Wyoming's financial heritage.
