Abandoned Mine Land Division

April 3, 2020

Mr. Edwards,

My name is Rodney McCloy. I live and own property at 22 Slater Creek Lane, Ranchester, Wyoming. My property is within the half mile boundary of the proposed Brook Mine.

I am writing to voice my concern over the blasting operations that may occur in this area. I am requesting a pre-blast survey of my domestic water well and a survey of the foundation of my home at 22 Slater Creek Lane.

I am also requesting an informal hearing in order to get answers for any further questions on the Brook Mine. Your consideration in this matter would be greatly appreciated.

Sincerely.

Rod McCloy
