Dear Sirs:

Please reconsider your decision to deny CJH Hog Farm's renewal for a new operating permit. This way of changing the rules as you go, won't be a positive for commerce in Arkansas. When people away from the area, can dictate local business. I think businesses will decide to invest in a more secure economic area.

I believe local people know what is best for their area. CJH Hog farmer families are doing business in their home. They don't want to jeopardize their home, family and friends.

Thank you,
Suellen Butler
