

To whom it may concern,

I was born and raised in Arkansas and now live in Branson, MO. As an avid outdoorsman I have spent many days camping and canoeing on the beautiful Buffalo River. It seldom comes to see this treasure in peril. I ask that you please not renew C & H Hogg's Farm's permit.

Sincerely,
Mike Davis

Mike Gavin

I was born and raised in Arkansas and now live in Branson, MO. As an avid outdoorsman I have spent many days camping and canoeing on the beautiful Buffalo River. It saddens me to see this treasure in peril. I ask that you please not renew C&H Hog Farms' permit.
