

Edward Amaral

What gives you people the right to kill these beautiful creatures for nothing ? That's what's wrong with this world is people like you and these dam stupid politicians . They have just as much right to be here as we do . The most evil race on this planet is the human race , let these beautiful creatures live they enrich the ecosystem we need them here !!!!! Smarten up you idiots this should not even be a debate wake up you morons . Shoot the murderers and the perverts if you people want to hunt for fun, sick of this shit !!!!!
