

Shaughn O'Keefe

**What is your gender?**

Male

**Age?**

35

**County (or Counties) of Primary Residence?**

King

**Residential setting:**

Urban

**Do you identify yourself as any of the following?**

Environmentalist

Hunter

Outdoor Recreationist

**WDFW has identified a list of impact topics to include in the Plan/EIS. Impact topics are a means of organizing the discussion of issues and analysis of impacts. Impact topics can be thought of as chapter or section headings in the Plan/EIS.**

**Please review this list and add other topics, or items that fit under these headings.**

**Please check the topics you view as most important.**

Wolf-livestock conflicts

Wolf-ungulate interactions

Wolf interactions with other species

Information and education

**Do you have general comments about the scope of Washington's updated wolf conservation and management plan?**

I think if folks don't want them hunted then they need to come up with realistic solutions about what to do when there are conflicts between wolves and livestock. If they can't come up with one, or if the answer is for the state to cull them then instead it should be to make money off limited tags and hunt them.
