

Jim Durham

**What is your gender?**

Male

**Age?**

66

**County (or Counties) of Primary Residence?**

Pend Oreille

**Residential setting:**

Rural

**Do you identify yourself as any of the following?**

Hunter

**WDFW has identified a list of impact topics to include in the Plan/EIS. Impact topics are a means of organizing the discussion of issues and analysis of impacts. Impact topics can be thought of as chapter or section headings in the Plan/EIS.**

**Please review this list and add other topics, or items that fit under these headings.**

**Please check the topics you view as most important.**

Wolf classification/status

Wolf-livestock conflicts

Wolf-ungulate interactions

Wolf interactions with other species

Wolf-human interactions

Wolf hunting

**Do you have general comments about the scope of Washington's updated wolf conservation and management plan?**

The WDFW does not realize the lack of game animals since the introduction of the wolves. Limited cougar harvests, bears, coyotes and now the wolves. In my opinion the WDFW has no clue of what they are doing. The deer numbers in my area are so poor I did NOT buy a hunting license. Great job you misfits!
